

Child Information

Child's Name

(Last Name)

(First Name)

(Middle Initial)

At Coppens Academy we want to help your child discover, create, and learn. We recognize that children learn when they feel safe and happy. In order to create an environment where your child will grow as a whole person; academically, socially, emotionally and physically, we want to surround your child with activities that incorporate their favourite items, joys, and topics. We also want our staff to have a deep understanding of who your child is as an individual. Please complete the following form giving our staff a few pieces of information to help your child transition into Coppens Academy and have the most enjoyable and memorable experience possible.

Favourite Song

Favourite Book

Favourite Colour

Favourite Animal

Favourite Activity

Favourite Sport
