JULY 2018

Newsletter

A Hat A Day, Keeps The Tears Away!

We've made it to July and summer has arrived! Please ensure your child arrives at the center each day with a hat to protect themselves from the hot sun. Even with the protection of sunscreen it's important to remember our students little heads.

Donate Today!

Has your child grown? Are you updating wardrobes this summer? Please think of donating any used clothing to either of our Coppens locations. We're always accepting donations, especially socks and underwear.

Thank-you in advance!

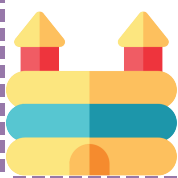

Schools Out For Summer

Summer camp at Coppens starts the first week of July and runs through to the last week of summer. We've got lots of trips and fun activities planned to make this the best summer yet. Keep your eyes on our facebook page to see pictures of all the fun, and plenty of updates. We love seeing posts from our Coppens families, let us know what makes YOU pick Coppens!
